(*) Note that operating expenses for 2009 were previously reported to be \$300,000 in the original 2009 financial statement. In the 2010 financial statement, operating expenses for 2009 were changed to be \$1,600,000 resulting in a correction of an error resulting to a prior period adjustment of retained earnings. This use case attempts to articulate to appropriately report all of these moving pieces in XBRL.

The accompanying notes form an integral part of the consolidated financial statements.
